

For Sale EUR - BLUE: A New and Spectacular villa created by ARK in La Reserva, for sale

 1.903 m²  5 Bedrooms  6 Bathrooms

Spectacular villa created by ARK on the highest point of Sotogrande; with unique views of the Mediterranean Sea and the rest of Sotogrande. It will present 5 spacious bedroom suites, large terraces, a gym and a wine cellar – as well as a modern kitchen design and latest appliances. This property has paid great attention to lighting; colours; space volumes; air circulation quality; garden landscaping; and organic materials. As with all ARK creations, you can expect exceptional quality, attention to detail, lots of natural light, and clever combinations of materials. These include wood; travertine marble; polished cement; and synthetic wood. Such materials have been combined with top interior branding – such as Niessens; Daikin; Reynaers; Villeroy and Boch; TORO bath; Seimens; BLANCO; Gaggenau, and more..
