 1,501 m²  6 Bedrooms  8 Bathrooms  1 Garage

The Seven at La Reserva de Sotogrande

Inspired by the rolling, rural landscape of Provence, the Seven is a collection of one-of-a-kind homes hidden amongst 10 hectares of verdant parkland - crafted by world-renowned landscape architect Jean Mus.

Each of the seven properties is designed by a different, eminent international architect. Each has its

own hectare of land, envisioned by Mus to integrate into its surroundings and enjoy complete privacy, with unrivalled views across the Mediterranean and up to the hills of Andalucía. Each family home is spacious, fully serviced and enjoys an extensive array of amenities. And each sees the individual aesthetic, imagination and expertise of its architect brought to life on our patch of Provence in southern Spain - together creating an incredible, utterly unique community

The Gumuchdjian Villa

London's Gumuchdjian Architects have worked on some of the world's most recognisable creative spaces, from the Centre Pompidou-Metz to the Paper Forest Pavilion at Kew Gardens. Its founder, Philip Gumuchdijian, has been awarded architecture's highest accolades, including the National Award by the Royal Institute of British Architects (RIBA) and the Stephen Lawrence award.
