

For Sale - The Kogan Villa - The Seven at La Reserva de Sotogrande

 1,272 m²  7 Bedrooms  8 Bathrooms  2 Garages

Inspired by the rolling, rural landscape of Provence, the Seven is a collection of one-of-a-kind homes hidden amongst 10 hectares of verdant parkland – crafted by world-renowned landscape architect Jean Mus.

Each of the seven properties is designed by a different, eminent international architect. Each has its own hectare of land, envisioned by Mus to integrate into its surroundings and enjoy complete privacy, with unrivalled views across the Mediterranean and up to the hills of Andalucía. Each family home is spacious, fully serviced and enjoys an extensive array of amenities. And each sees the individual

aesthetic, imagination and expertise of its architect brought to life on our patch of Provence in southern Spain – together creating an incredible, utterly unique community.

The Kogan Villa

Brazilian architect Marcio Kogan – of Sao Paolo’s Studio MK27 – comes to Sotogrande for his first Andalusian project: The Kogan Villa. Lauded for breathing fresh life into the great Brazilian modernist tradition, Mogan and his studio have won over 200 national and international awards for their work – including those from D&AD, Wallpaper and Architectural Review – also representing Brazil in Venice Biennale.
